ABOUT US

Since the formation of Revo Quest Consulting in 2017, our existence was formed purely out of our invigorating interest in seeing the life our people who is also our customer improve through time. Our work is at all times coupled with the creation of warm relationships with our clients as we team-up to build even far greater things. At Revo Quest Consulting we strive to help carry out a purpose, and that is to ensure that our client's visions are well realized, as we make it our sole mission on each of our engagements.

OUR AIM

To offer cutting edge services to all our clients so as to ensure that our work serves communities.

VISION

Our vision is to provide our clients with professional, fast, reliable solutions that best suit their needs.

MISSION

To provide clients with quality products and excellent service that exceeds customer expectations in the building industry and to create warm and longstanding relationships with our clients at all times.

OUR CORE SERVICE OFFERINGS

Our business model was born out of a great vibration of passion. From people development and education & training to innovations of modern Technology, our is always about change for the better. As skills development facilitators, our role is to communicate with employees, observe their daily routines and conduct surveys, all in pursuit of finding out how they feel about their roles in the organization, how their skills can be maximized and what can be done in order to take productivity to the next level.
